

Witness Statement

22nd February 2018

I have carefully monitored the work of the Mr Sadeesha Jayaweera, Candidate No 0019 from the beginning to the end of this product. He was a very talented young individual. He was working hard towards the success of this project. He was very creative and enthusiastic while working on this project. Finally, he was able to make the multimedia product fully functional.

Thereby, I hear bear witness that the multimedia product made is fully functional and works perfectly fine as intended.

A handwritten signature in blue ink, appearing to read 'Hiran', is written over a horizontal dashed line. Below the dashed line, there is a solid blue horizontal line.
